Subject: **NOTIFICATION OF THE USE OF DELEGATED AUTHORITY TO AMEND  
VARIOUS AGREEMENTS FUNDED THROUGH THE AMERICAN  
RECOVERY AND REINVESTMENT ACT OF 2009**

This is to notify you that I am exercising the delegated authority approved by your Board on March 2, 2010, to amend agreements to internally redirect funds to support the Department of Public Health (DPH) projects: Renew Environments for Nutrition, Exercise and Wellness in Los Angeles County (RENEW-LAC) and Tobacco Reduction Using Effective Strategies and Teamwork (TRUST), 100% funded by the Centers for Disease Control and Prevention (CDC), from the American Recovery and Reinvestment Act of 2009 (ARRA), subject to review and approval by County Counsel and the Chief Executive Office (CEO), and notification to your Board.

On April 8, 2010, I notified your Board that I was exercising the delegated authority approved by your Board to accept two NAs from the CDC, funded through ARRA, in the total amount of \$32,105,202 for the RENEW-LAC (\$15,920,342) and TRUST (\$16,184,860) projects for the term March 19, 2010 through March 18, 2012.

Since acceptance of these NAs, DPH has executed, under delegated authority, 28 Agreements to support Projects RENEW and TRUST. Twenty-seven of these Agreements include consolidated program objectives for a two-year period through March 18, 2012; however, the funding is split between two separate budgets: date of execution through March 18, 2011 and March 19, 2011 through March 18, 2012.

Under the delegated authority referenced above, I will execute amendments to the 27 Agreements identified in Attachment A to redirect funds through the consolidation of the two separate budgets into a single two-year budget: date of execution through March 18, 2012. This consolidation will allow contractors to continue to develop and implement their programs and ensure maximization of CDC ARRA funding. The amendments, effective the date of amendment execution, will not impact the current maximum obligation of these Agreements.
